

tiffany

design_Angelo Tomaiuolo

Madia bassa o alta che si ispira ad un lusso morbido e delicato: il legno di frassino, in finitura noce Canaletto, rovere scuro, o rovere naturale, si abbinano lieve al rivestimento in pelle ed eco-pelle, in tutte le colorazioni disponibili. Trapuntata e rivestita come il migliore degli imbottiti. Made in Italy, Tiffany riesce a combinare due mondi tecnicamente diversi, unendoli in un prodotto dalla grazia unica.

Tiffany is a low, or high sideboard, inspired by a soft and delicate luxury: the ash tree - with a Canaletto walnut, dark oak, or natural oak finishing - quietly marries the leather, or eco-leather covering. A quilted covering, representation of the best Made in Italy manufacture, covers Tiffany, and combines two technically different worlds, resulting in a uniquely gracious product.

С возможностью изменения цвета и светлые, так же, как город, от которого он берет свое название; PARIS является стеллажом, который демонстрирует дискретную роскошь стекла и дерева во множестве форм: серванты, тумбы под телевизор, витрины, подвесные блоки и полки, имеющие предпочитаемую вами отделку.
