The LAKE sideboard is a living-area piece which stands apart for its sleek harmonious lines. On a raised base, it has an oval form whose beauty is enhanced by the ceramic top which is slightly set back from the edge, creating a space between door and top which is useful for opening doors and drawers. The balanced proportions of this tall piece play up the soft sleek silhouette that is typical of the entire collection. The exquisite wood grain patterning is showcased by the lofty frame and this sideboard provides ample storage space, yet it is wide and compact enough to be positioned freely within the living area, either placed against a wall or planted in the middle of a room as a kind of dividing element between one part and another.

## LAKE

Lake is a collection of sideboards featuring soft, curved lines. The oval shape is highlighted by the recessed top, slightly smaller than the perimeter, which creates a usable space for opening doors and drawers. Finished on all sides and devoid of sharp edges, the sideboard is ideal to be placed anywhere in the living area.
