

CLAIRE

Model CLAIRE chair, with a solid wood frame and upholstered seat. Large backrest. A design with lines that recall the Nordic tradition, for this chair with a wide curved and enveloping backrest. The frame and four sturdy legs are in solid ash wood while the contoured seat and the backrest are upholstered and covered. Ergonomics and comfort are guaranteed in everyday use: choose it for the home or restaurant in the combination you prefer!

CLAIRE

CLAIRE chair with metal frame and upholstered seat/backrest. Sled base and wide backrest.

The CLAIRE sled chair is characterised by a large seat and a contoured backrest that are slightly upholstered to ensure maximum comfort. The chair is also fitted with four plastic shockproof, neutral coloured feet, positioned under the sled base.

The colour coated metal frame, in matching colour with the upholstery, enhances the lightness and graceful lines of this chair that is perfectly suitable for today's living spaces.
