Darwin

Darwin reproduces the design detail of the Landa sofa with the folded-over cushion. A stylish statement for a sofa bed that might be downsized but is definitely big on personality. It has a semi-automatic mechanism and the mattress is included. It can be easily opened up by pulling a matching band concealed by the backrest and closes again just as effortlessly without any need to move cushions or anything else.

Total Height: 90 cm
Width: 170 cm
Depth: 103 cm
foot: Plastic feet, black colour
