Bed System

Secret Box®

Secret Box® is a great Noctis novelty destined to trace the route in the storage bed world. Developed and patented by our business development team, it is the box that's there but you can't see it. An useful and secret space, where you can store things you are most attached. When bed storage is closed box seems not be there.

- Including an orthopedic staves bedstead with double central support and fourteen 65 mm birchen staves. Double central bars provided only in 160 and 180 versions

* For further details and available sizes please contact our local dealers: www.noctis.it/en/noctis/dealers

The display of the materials may be more or less realistic depending on the device used. We invite you to confirm an order only after having viewed the physical samples of the chosen materials.
